New models of HEAVY DUTY calculators that deliver outstanding durability and the ultimate in usability are now available. The square ingot body exudes a powerful presence and the chic metallic colours impart a sense of sophistication and high quality perfectly suited to state-of-the-art CASIO calculators.

Los nuevos modelos de calculadoras HEAVY DUTY ofrecen una excelente durabilidad además de una manejabilidad sin igual. El cuerpo cuadrado de lingote resalta aún más su atractivo y los elegantes colores metálicos les da un toque de calidad y sofisticación digno de las calculadoras de vanguardia CASIO.

Superb durability and functionality for demanding work requirements — HEAVY DUTY Calculators

Heavy-duty Durable Keys / Teclas durables y resistentes

Keys are produced by injecting plastic of two different colours. Key markings are plastic, which means they do not wear or fade with use.

*Excluding the [M/EX], [TAX+], and [TAX-] keys.

Las teclas son producidas por la inyección de plástico de dos colores diferentes. Las marcas de teclas son plásticas, lo cual significa que no se gastan ni se borran con el uso.

*Excluyendo las teclas [M/EX], [TAX+] y [TAX-].
